14. (Unclassified - DFM) Received a call from Ms. Lathan, Secretary to Jeff Weinberg in the Office of the Assistant Director for Legislative Reference, OMB. Ms. Lathan asked when we would be able to get our comments to OMB on the Justice draft bill authorizing garnishment of federal wages and I told her I thought by tomorrow.

15. (Unclassified - PLC) Met with James Davidson, Counsel, Senate Government Operations Subcommittee on Intergovernmental Relations, and gave for his retention a copy of the Guide for CIA Statutes and Laws as requested by [redacted] OGC. Under FOI, Morton Halperin requested a copy from OGC. Though unclassified, OGC considered it best to have it in the custody of a Congressional committee. Davidson was most appreciative of the copy and said it would be most helpful for their study on congressional oversight of the Agency and the intelligence community.

7. [REDACTED] Called Paul Summitt, Chief Counsel, Senate Judiciary Subcommittee on Criminal Laws and Procedures, and discussed section 1124, providing criminal penalties for the unauthorized disclosure of classified information in S. 1, and the recent comments by the Justice Department to the Agency's proposed legislation to protect intelligence sources and methods. Summitt stated that the section is unchanged from the version provided to us several months ago but asked that I check with him later to be certain.
